

COMMONALITY

Family & party game of collecting stuff!

Explore the commonalities between everyday things. Three ways to play:

- 2-4 players: flip-spin-align tiles to make connections like Tic-Tac-Toe

- 2-6 players: secretly race to collect the most related items
- 1 player: solitaire mode where you stack related connections

Round things

Flat things

Wearables

Be afraid

Lasercut Components:
192 two-sided cards with image on one side, arrow on the flip side.

Find the myriad ways everything is connected!
